EXPERIENCE

SHENZHEN STOCK EXCHANGE | FIXED ASSET SECURITIES ANALYST

May 2018 - Present | Shenzhen, China

STUDENT FEDERAL CREDIT UNION AT THE UNIVERSITY OF PENNSYLVANIA | INFORMATION SYSTEMS INTERN

December 2017 - Present | Philadelphia, PA

- Our team is in charge of network security, the website, and the overall technological infrastructure of this financial institution.
 - Worked on maintaining and updating the website using HTML, CSS.
 - Addressed audits the credit received on security regarding networks etc. Worked with firewalls, security, and others.
- Worked on increasing the efficiency of tellers and other teams in terms of technology and ensuring security of sensitive information.

BANDAI NAMCO ENTERTAINMENT | BRAND MARKETING INTERN

May 2017 - August 2017 | Santa Clara, CA

- Utilized marketing concepts such as STP and segmenting to spearhead marketing for new titles being released such as GUNDAM VERSUS.
 - Project: Worked on a website to introduce people to game titles.

THE DAILY PENNSYLVANIAN | BUSINESS REPRESENTATIVE

September 2016 - January 2018 | Philadelphia, PA

- Worked on marketing and advertising for the independent newspaper with 50 clients to generate the revenue the company needed for operation.
- Secured \$5000+ contracts with clients around Philadelphia by consulting them.

RESEARCH

WHARTON SOCIAL IMPACT INITIATIVE | URBAN ANALYTICS

RESEARCH ANALYST

October 2017 - January 2018 | Philadelphia, PA

Worked with my Business Statistics professor Shane Jensen to conduct research on urban safety in Philadelphia.

- Project: Analyzed block party data in R. Mapped the data onto a map to visualize the location of these block parties and ran statistical tests to determine the influence of these block parties on a neighborhood's safety.

ORGANIZATIONS

DESIGN FOR SOCIAL IMPACT | CO-FOUNDER

December 2017 - Present

Began with engineering students that hope to design products that positively impact the Philadelphia community. We approach social impact with innovative prototypes.

WHARTON INVESTMENT TRADING GROUP | GLOBAL

MACROECONOMICS INVESTMENT TEAM ANALYST

August 2017 - Present

I conduct research on global markets and pitch companies to VPs of different teams.

- Example companies I've pitched: PayPal, Micron Technology

MARKETING UNDERGRADUATE STUDENT ESTABLISHMENT | SOCIAL IMPACT PRACTICE CONSULTANT

January 2018 - Present

Worked with a team to provide non-profit consulting for the Global Livingston Institute. Developed marketing and expansionary strategies for increased impact.
